NEWS & INFORMATION

OVER TO YOU

The Peak Music Festival was held on the 9th - 12th June and the mountain rocked as Perisher jammed to an amazing range of musicians, singers, story tellers and comedy acts. Illabunda members and guests enjoyed a weekend of sunshine, skiing, walking, a BBQ lunch on the deck and a vast range of artist and venues to choose from. All toasted off with a glass of bubbles or two - a great time was had by all.

Thank You to Ben Salon for the junior training report. The 2017 Illabunda junior training saw nine young skiers join us over five days for alpine, cross country and snowboard training. Fortunately, the week's training followed the first significant snowfall of the season which allowed most of the resort (thanks also to extensive snowmaking and super cold temps) and some cross country trails to open. This year, most of our juniors are on the younger side and so our focus was on building skills and team cohesion with the help of the more experienced team members Charlotte Howden and Kane Rodwell. Sights are now firmly set on the September race weekend where we

expect to face stiff competition from the other Illawarra clubs. Thanks as always go to Lisa Askie who through her superb organisation saw the week go off without a hitch. A special mention goes out to deputy cross country trainer Andrew Stephenson who dazzled the team with his fashion statements. The senior team members were training in earnest as they carved up the mountain on their down hills, strapped on their snowboards and skated around the resort on their cross country skis. If you or the kids are interested in joining the Illabunda race team you are more than welcome to come along. Good luck team Illabunda!
