Join the Committee:

Two long standing committee members Graeme Williams and John Henry are set to hang up their committee badges and will not stand for re-election at the next AGM. Both have contributed significantly over many years and a huge thank you goes out to both Graeme & John. Their departure will leave a big hole in the committee and we ask all members to consider joining our team - we are specifically looking for a secretary and a treasurer. We are also looking for fresh faces to join as general committee members.
